## Progress from Key Stage 1 to Key Stage 2 in Reading, Writing and Maths

The Progress Measure compares our pupils' progress with other pupils nationally who had a similar level of attainment at Key Stage One. The difference is calculated to establish whether our pupils are making the same amount of progress as other pupils nationally.

- **A score of 0** means that pupils in this school **do as well** as other pupils nationally (average).
- **A positive score** means that pupils in this school on average do **better** than other pupils nationally (average).
- **A negative score** means that pupils in this school **do not do as well** as other pupils nationally (average).

### Progress Measures

Reading	Writing	Maths
-2.4	-1.8	-6.5
