Dear Parents / Carers,

### **Use of photographs in our School and Academy Trust**

You will be aware that Cranford C E Primary School is part of the Peterborough Diocese Education Trust (PDET). In order for us to ensure clear transparency around the use of children's photos, the policy has been incorporated into other documents as detailed below.

Our Privacy Notice for Pupils covers the use of photographs where they are used as part of their education (public task). The Privacy Notice is available on our school website.

For some purposes we need your on-going consent. You will be asked to renew your consent as your child moves to a new key stage (key stage 1 and key stage 2). Please note that you can change your consent given at any point in time by contacting the academy.

For those situations where we need specific one-off consent, the academy will contact you directly with details of this.

We are sure you will appreciate that, as with any legislation, implementation is continually evolving as guidance is issued and / or reviewed. This, of course, necessitates us making changes. We thank you for your ongoing support and understanding.

If you have any queries around photographs used in our academy, please contact the school office.
